THE SHOW

I'm just a little bit caught in the middle.
Life is a maze and love is a riddle.
I don't know where to go, can't do it alone.
I've tried and I don't know why .

Slow it down, make it stop !
Or else my heart is going to pop .
'Cause it's too much, yeah it's a lot.
To be something I'm not.
I am a fool out of love 'cause I just can't get enough.

[chorus1]
I'm just a little bit caught in the middle.
Life is a maze and love is a riddle.
I don't know where to go, can't do it alone.
I've tried and I don't know why .

[chorus2]
I'm just a little girl lost in the moment .
I'm so scared, but I don't show it.
I can't figure it out.
It is bringing me down.
I know I've got to let it go.
And just enjoy the show .

The sun is hot in the sky just like a giant spotlight.
The people follow the signs and synchronize in time.
It is a joke.
Nobody knows they have got a ticket to the show .

[Back to chorus 1 and chorus 2]

I want my money back.
Just enjoy the show !

TROUBLE IS A FRIEND

Trouble he will find you, no matter where you go.
No matter if you're fast, no matter if you're slow.
The eyes of the storm want to cry in the morn.
You're fine for a while but you start to lose control.

[chorus1]
He is there in the dark.
He is there in my heart.
He waits in the wings.
He is gotta play a part.
Trouble is a friend.
Yeah, trouble is a friend of mine.

Trouble is a friend, but trouble is a foe.
And no matter what I feed him, he always seems to grow.
He sees what I see and he knows what I know.
So don't forget as you ease on down my road.

[chorus2]
He is there in the dark.
He is there in my heart.
He waits in the wings.
He is gotta play a part.
Trouble is a friend.
Yeah, trouble is a friend of mine.

So don't be alarmed!
If he takes you by the arm.
I want let him win, but I'm a sucker for his charm.
Trouble is a friend.
Yeah, trouble is a friend of mine.

How I hate the way he makes me feel.
And how I try to make him leave.
I try ...
I try ...

ANYTHING I'M NOT

I will never be...
I will never be tall.
No!
And I will never be.
Never ever be sure of it all.
Oh, why is the world so cruel to me?
When all... All I ever want to be .
Is anything I'm not?

Give me a break!
A little escape
I am so tired of being me.
I wanna be free.
I wanna be new and different .
Anything I'm not... I'm not.

I will never be...
I will never be you.
No!
I will always be...
I will always be me .
That I know
But oh...
Even though, I am happy of being me.
I want to get away from all this harsh reality.

Give me a break!
A little escape
I am so tired of being me.
I wanna be free.
I wanna be new and different.
Anything I'm not.

DON'T LET ME FALL

Underneath the moon, underneath the stars
Here is a little heart for you.
Up above the world, Up above it all
Here is a hand to hold on to

But if I should break, if I should fall away
What am I to do?
I need someone to take a little of the weight or I'll fall through.

You're just the one that I've been waiting for
I'll give you all that I have to give and more.
But don't let me fall!
Take a little time, walk a little line!
Get the balance right!
Give a little love!
Give me just enough!
So that I can hang on tight

We will be alright.
I will be by your side .
I won't let you down, but I am gotta know no matter how things go
that you will be alright.

You're just the one that I've been waiting for
I'll give you all that I have to give and more.
But don't let me fall, don't let me fall!

Underneath the moon, underneath the stars
Here is a little heart for you.
Up above the world, up above it all
Here is a hand to hold on to

You're just the one that I've been waiting for
I'll give you all that I have to give and more.
But don't let me fall!

You'll be the one that I'll love forever more .
I'll be here holding you high above it all.
But don't let me fall!

KNOCK-KNOCK

A second, a minute, an hour, a day goes by
I am hoping just to be by your side.
I am turning the handle.
It won't open.
Don't make me wait 'cause right now I need your smile.
Knock, knock

When life had locked me out I turned to you.
So, open the door!
'Cause you're all I need right now, it's true.
Nothing works like you.

Little louder, little louder
Little louder knockin'
Little louder, little louder

A warm bath, a good laugh, an old song that you know by heart
I've tried it, but they all leave me cold.
So, now I am here waiting to see you.
My remedy for all that's been hurting me.
Knock, knock

When life had locked me out I turned to you.
So, open the door!
'Cause you're all I need right now, it's true.
Nothing works like you.

You seem to know the way
to turn my frown upside down.
You always know what to say
to make me feel like everything's okay.

Little louder, little louder
Little louder knockin'
Little louder, little louder
Little louder knockin'

When life had locked me out I turned to you.
And you open the door
And you're all I need right now, it's true.
Nothing works like you.

BRING ME DOWN

So, here we are again starin' at the end of what we made and who we are
Never knowin' when one of us will break apart and walk the other way, love.
I don't know what to say, love.
I don't know how to stay when you won't let me be the person that I am.

[Chorus]

The writings on the wall
There's nothin' to say anymore.
So, I'll leave before I fall apart.
Right back into your arms
The writings on the wall
You gave nothin' and I gave it at all, but I want something better.
I won't let this burden bring me down.

What are we to do?
What are we to say to one another?
Now were through?
Thanks for bein' you.
Thanks for bein' all things.
I had to say goodbye to..
I am over being lied to..
I am over being pushed into the person that you want me to become.

[Chorus]

Oh, where did it go wrong?
We had it for so long but now there's no point in turning back.
Let's face the fact!

[Chorus]

I won't let this burden bring me [x2]
I won't let this burden bring me down.

DANGEROUS AND SWEET

It is difficult to see from the surface, but everything goes in and it stings .
Like a spider
Hits you deep inside and

Ref.

I know that you are just like me, oversensitive .
Well, I ordinarily breathe.
Taking everything for much more than it means
Well, it's dangerous and it's sweet .
Cut us and we bleed.

All these words that we speak casually
Well maybe I'm just weak, but it hurts me.
Everything you said x3
Well, it cuts like a knife.
It hurts me deep inside and [Back to Ref.]

I should put on my armor the next time I see you.
So, I won't be harmed.
I know I can shoot my own arrows.
I'm sorry I hurt you.
I know that like me you can be oversensitive.

[Chorus]

It is dangerous and sweet.
Don't you know it's dangerous and it's sweet?
Cut us and we bleed.

LIKE A SONG

I can't forget you when you're gone.
You are like a song that goes around in my head.
And how I regret, it is been so long.
Oh what went wrong
Could it be something I said?
Time, make it go faster!
Or just rewind to back when I'm wrapped in your arms !

All afternoon long
It is with me.
The same song
You left a light on inside me.
My love

I can Remember the way that it felt
to be holding on to you.

I can't forget you when you're gone.
You are like a song that goes around in my head.
And how I regret, it is been so long.
Oh what went wrong
Could it be something I said?
Time, make it go faster!
Or just rewind to back when I'm wrapped in your arms !

Time, make it go faster!
Or just decide to come back to my happy heart!

LIVE LIKE YOU'RE DYING

One of these days you'll be
Under the covers you'll be
Under the table and you'll realize
All of your days are numbered.
All of them one to one hundred
All of them millions
All of them trillions
So, what are you gonna do with them all?
You cannot trade them in mall.

Take every moment, you know that you own them.
It's all you can do.
Use what's been given to you!

Give me a reason to fight the feeling that there's nothing here for me
cause none of it's easy .
I know it wasn't meant to be.
I know it's all up to me, it's all up to me.
So what am I gonna do with my time?

I will take every moment .
I know that I own them.
It's all up to you to do whatever you choose.

Live like you're dying and never stop trying.
It's all you can do.
Use what's been given to you!

All of the moments you didn't notice
gone in the blink of an eye.
And all of the feelings you couldn't feel no matter how you try .

Take every moment!
You know that you own them.
It's all up to you to do whatever you choose.

Live like you're dying and never stop trying.
It's all you can do.
Use what's been given to you!

SKIP ALONG

So tired of feeling blue
Such a heavy weight on you
So shake it off and make your way to somewhere different !
To somewhere different
Now, you are leaving me.
What will you do?
All alone in the big bad world but I'm not worried.

'Cause you're gonna skip along.
Quite merrily baby, you're gonna revel in hating what's going on.
And you're like a sugar bomb and no harm will come .
No harm will come if you just skip along.

Acting oblivious
Comes natural to us
Keep smiling knowing all the while the world will fall apart!
The world will fall apart .

So, we are gonna skip along.
Quite merrily baby we're gonna revel in hating what's going on.
You are like a sugar bomb and no harm will come.
No harm will come if you just skip along.

Wouldn't it be lovely to be home, home?
Safe and sound with no one round to bring us down but that's so far away.

So, I'm gonna skip along.
Quite merrily baby, I'm gonna revel in hating what's going on.
I'm like a sugar bomb and no harm will come.
No harm will come if I just skip along.
Just skip along
Quite merrily

WE WILL NOT GROW OLD

You and me will be lying side by side.
Forever forever
Underneath this adolescent sky
Together together
And you will hold my heart inside your hand.
And you'll be the one, the one to tell me.

We have got a long, long way to go.
To get there
We will get there, but oh, if there's one thing that we know.
It's that we will not grow old.

You made me swear that our hearts will never die.
No never, no never
Cause no one seems to believe that we can fly.
Forget them, forget them!
You told me.

We have got a long way to go.
To get there
We will get there, but oh, if there's one thing that we know.
It's that we will not grow old.

We have got a long way to go.
To get there
We will get there, but oh, if there's one thing that we know.
It's that we will not grow old.

How could we know that day, it came with age.
That oh, the feeling would fade.

We have got a long way to go.
To get there
We will get there, but oh, if there's one thing that we know.
It's that we will not grow old.
We will not grow old.
